

NO-SMOKING POLICY

Due to the irritation and known health risks of exposure to second-hand smoke, increased risk of fire, and increased maintenance and cleaning costs, all forms of tobacco and cannabis smoking and vaping are prohibited on Bannerman Green property, inside and outside housing units and on common areas.

Members shall be responsible for communicating this policy to and ensuring that this policy is complied with by visitors and tradespeople.

Any member who is not in compliance shall be personally responsible for the full cost of cleaning and any other damages which might result.
