

Bannerman Green Co-op Membership/Community Building Committee

Meeting Minutes - May 5, 2021

Attendance – Connie Koenker, Brad Nance, Eleanor Thompson, Judy Wasylcia-Leis

1. Membership as of May 5th is 50 members and 18 friends. Anyone expressing concern about ability to pay the fee is referred to Eleanor who arranges for payment options.
2. The Community Building survey generated 19 responses, all of whom expressed an interest in small group gatherings over coffee in a backyard or the park in keeping with pandemic health guidelines. Until such time as small gatherings are safe, committee members will make occasional calls to members to touch base and chat about the project.
3. The Committee is compiling a list of individuals and organizations to be considered for possible letters of support that could be included in future applications for zoning and financing. The focus for the list includes individuals living in close proximity to the project as well as local community organizations, churches, not-for-profits, small businesses and coops. All members and friends of BGHC are encouraged to forward names and add to the list.
4. The Committee is prepared to organize a second leaflet distribution before the summer should progress re the application process warrant an update to the community.
